

**AVR Programming Workshop**  
**Hosted by Bloominglabs and The Collaboration Room**

We would like to thank you for participating in this workshop. Please take a moment to fill out a questionnaire so that we can improve the quality of our workshops. You are welcome to take this home and return it at a later date.

Today's date: \_\_\_\_\_

1) Where did you hear about us?

2) Have you attended any Collaboration Room or Hackerspace Initiative workshops before? If yes, which ones?

3) Overall, how would you rate this workshop on the following items:  
[1-5, 1 being poor, 3 being acceptable, 5 being beyond expectations]

Intro to breadboarding	1	2	3	4	5
Intro to programming	1	2	3	4	5
How to upload code to the AVR	1	2	3	4	5
Feel able to move forwards on your own	1	2	3	4	5
Level of difficulty this course presented	1	2	3	4	5
Length of workshop	1	2	3	4	5
Overall value of workshop	1	2	3	4	5

4) How would you rate the workshop presenters on the following items:  
[1-5, 1 being poor, 3 being average, 5 being beyond expectations]

Overall presentation of material	1	2	3	4	5
Clearly and concisely addressed questions	1	2	3	4	5

5) Please rate the following questions:  
[1-5, 1 very unlikely, 3 neither like nor unlikely, 5 being very likely]

Do you plan to apply the skills learned in this workshop on your own projects? 1 2 3 4 5

Would you recommend this workshop to others? 1 2 3 4 5

5) Was there any information regarding AVR and/or microcontrollers you would like to have seen covered which was not?

6) Would you like to see more workshops that expand on what you learned in this one?  
If yes, please list areas you would like to learn more about:

7) Do you have any other suggestions relating to this workshop?
